

READ SAFETY DIRECTIONS BEFORE OPENING OR USING

TAKEIN II

ORGANOSILICONE SURFACTANT/PENETRANT

ACTIVE CONSTITUENT : 1020 g/L POLYETHER MODIFIED POLYSILOXANE

A non-ionic wetter /spreader/penetrant for use with
agricultural pesticides.

CONTENTS : 1L, 5L, 10L, 20L

GROW CHOICE Pty. Limited

113 Fitzroy Street,

Tamworth, NSW, 2340

Phone : (02) 6766 3979 Fax : (02) 6766 2922

DIRECTIONS FOR USE

Situation	Rate per 100L of spray solution	Critical Comments
Fungicides	30-60mL	The usage rates of Takein II are given as a guide only. Always follow the directions of pesticide label where organosilicone is recommended.
Insecticides, miticides		
Foliar micronutrients		
Herbicides: General Post Emergent	50-100mL	DO NOT use if pesticide manufacturer prohibits surfactants.
General Low volume	100-200mL	
Glyphosate, metsulfuron on gorse/bracken fern on brush/woody weeds	200mL Handgun: 100mL Boom: 200mL	

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

Takein II is an organosilicone based surfactant containing a unique blend of various polymers. Takein II is a highly efficient wetter/spreader/penetrant. It is effective with most agricultural chemicals unless otherwise stated on the label. While Takein II has been proven to be a highly efficient surfactant, timing, weather conditions, method of application and/or mixture with other chemicals not specifically recommended are beyond the control of the seller. Therefore, they should carefully observe spray deposits, rate efficiencies, compatibilities and effectiveness in initial application and adjust the adjuvant rate accordingly.

Mixing

1. Mix the pesticide product with water when tank is about 30% full.
2. When tank is nearly full add Takein II.
3. Complete filling the tank.

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

STORAGE AND DISPOSAL

KEEP OUT OF REACH OF CHILDREN.

Store in the closed, original container, in a well-ventilated area, out of direct sunlight. Triple, or preferably pressure rinse containers before disposal. Add rinsing to spray tank. Do not dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit specifically

marked and set up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

SAFETY DIRECTIONS

Do not get on skin or clothing. Causes eye irritation. Harmful if swallowed. Avoid breathing vapour or mist. Avoid using product in a manner as to directly, or through drift, expose workers or other persons. Always follow precautionary label statements of the pesticide(s) that are to be used with Takein II. Applicators and handlers must wear goggles or a facial splash shield; chemical resistant gloves, such as nitrile rubber > 14 mils or neoprene rubbers > 14 mils; coveralls or long sleeved shirt and long pants; shoes plus socks and mists filtering respirator.

After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water. After each day's use wash contaminated clothing, goggles or face shield, gloves and contaminated clothing.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre (Phone Australia 131126). If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.

MATERIAL SAFETY DATA SHEET

Additional information is listed in the Material Safety Data Sheet which can be obtained from the supplier.

NOTICE TO BUYER

Grow Choice Pty. Ltd. will not be held liable for any loss, injury or damage, indirect or consequential, arising from the sale, supply, use or application of this product. The product is not to be used for any purpose or in any way contrary to label instructions.
